

Amendments to the Drawings:

Please delete drawing sheet 1 of 2 including Fig. 1 so that only drawing sheet 2 of 2, including Figs. 1 and 2, remains pending in the application.

International Application No. PCT/EP2003/013446 includes a duplication of Fig. 1, both being identical, on both the first and second sheets. The first drawing sheet is being deleted to remove one of the redundant Figs. 1.
